The image contains two identical diagrams, one above the other, separated by a horizontal line. Each diagram consists of a 10x10 grid of squares. To the left of the grid is a warning triangle containing an exclamation mark. To the right of the triangle are two empty squares, followed by a left-pointing arrow. In the top diagram, the cursor (a small vertical bar) is positioned at the intersection of the first row and the seventh column. In the bottom diagram, the cursor is positioned at the intersection of the second row and the seventh column.

Diagram of a 15A 100V circuit breaker. The breaker is shown with a warning symbol (exclamation mark) and a prohibition symbol (a circle with a diagonal line). The breaker is labeled with "15A" and "100V". The diagram shows the internal components, including the main switch and the thermal-magnetic trip unit.

A diagram of a brush with a callout showing a 4x4 grid of 16 cells. Two cells in the grid are highlighted in black, representing the 'black cells' mentioned in the text.

A line drawing showing a hand gripping the handle of the vacuum cleaner. The handle is a long, cylindrical tube with a textured grip. The hand is shown from the side, with the thumb and fingers wrapped around the handle. The vacuum head is attached to the end of the handle.

Illustration of a hairbrush and a comb. A callout box shows a 4x10 grid of squares, with the last square in the bottom row shaded black.
